Thrift Savings Fund Statistics

August 2017

Highlights

There has been a steady increase in post separation withdrawals and the totals projected for 2017 are currently 20% higher than 2016. An increasing number of TSP participants are now reaching retirement age and the pool of potential withdrawals is getting larger. The FERS participation rate dropped slightly from 90.1% in July to 89.9% in August, while the uniformed service active duty participation rate remained at 48.0%. The total Roth balance is now over \$8 billion with over one million accounts; uniform service participants hold 55.8% of these Roth accounts.

*Active participants with no current contributions include non-separated CSRS and uniformed services participants who have terminated contributions or had them suspended because of hardship withdrawal, participants whose employing agencies have not submitted their separation status, and beneficiary participants.

**In addition to the initial monthly payments, 197,457 ongoing monthly payments were disbursed in August 2017.

***Participants may elect to transfer all or part of their single payments. If only a portion is transferred, each portion (cash and transfer) is counted separately.

**** Historic Plan Balances and Plan Balance have been updated to reflect net investment assets (less Sec Lending) starting from 2011 and will continue going forward.
