Engagement
Services &
Solutions

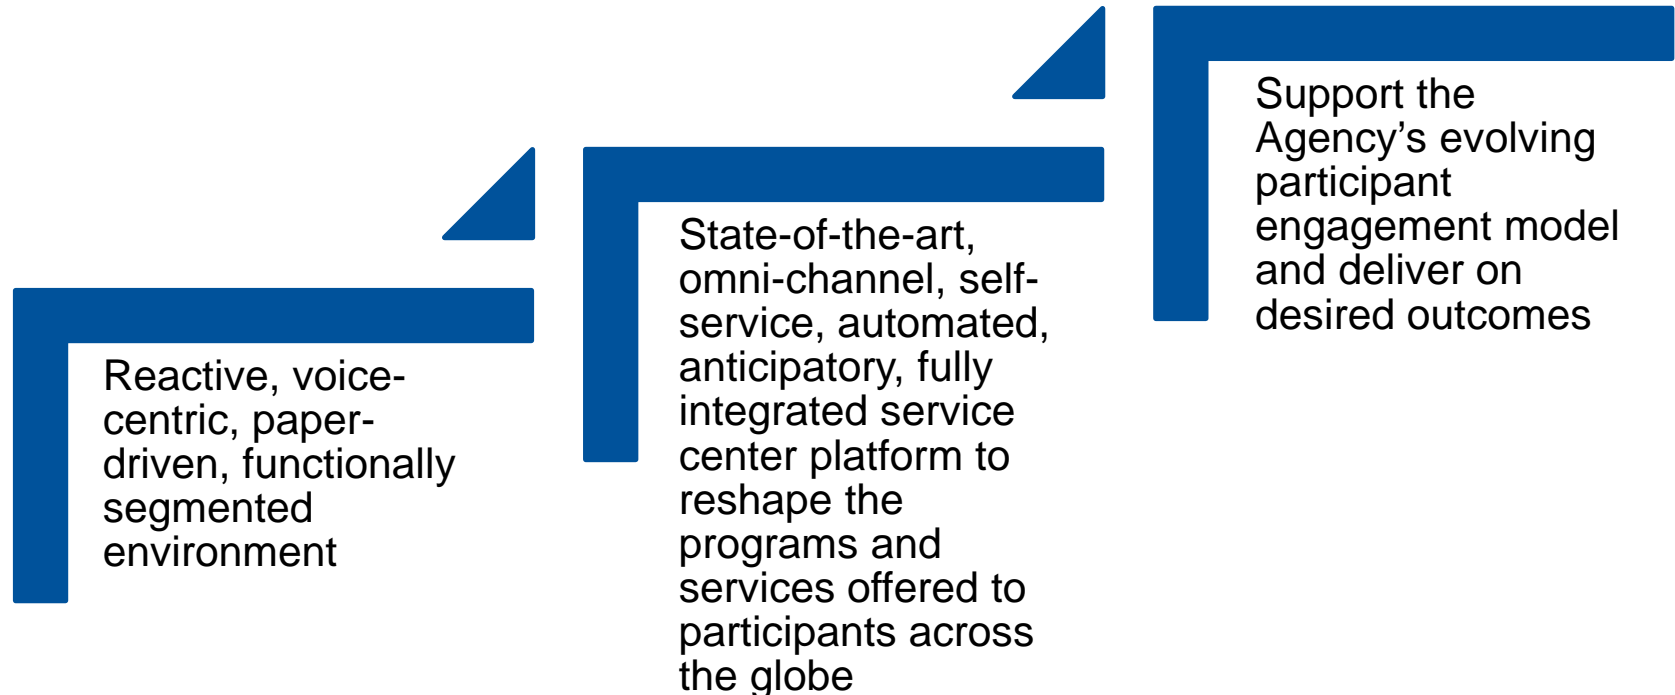

Strategic Objectives

Improve the participant experience by:

- Modernizing technology
- Additional channels of communication
- Providing self-service options
- Raising the TSP service delivery standards to those commensurate with contemporaries in financial services sector

Toward a Consolidated TSP Service Center

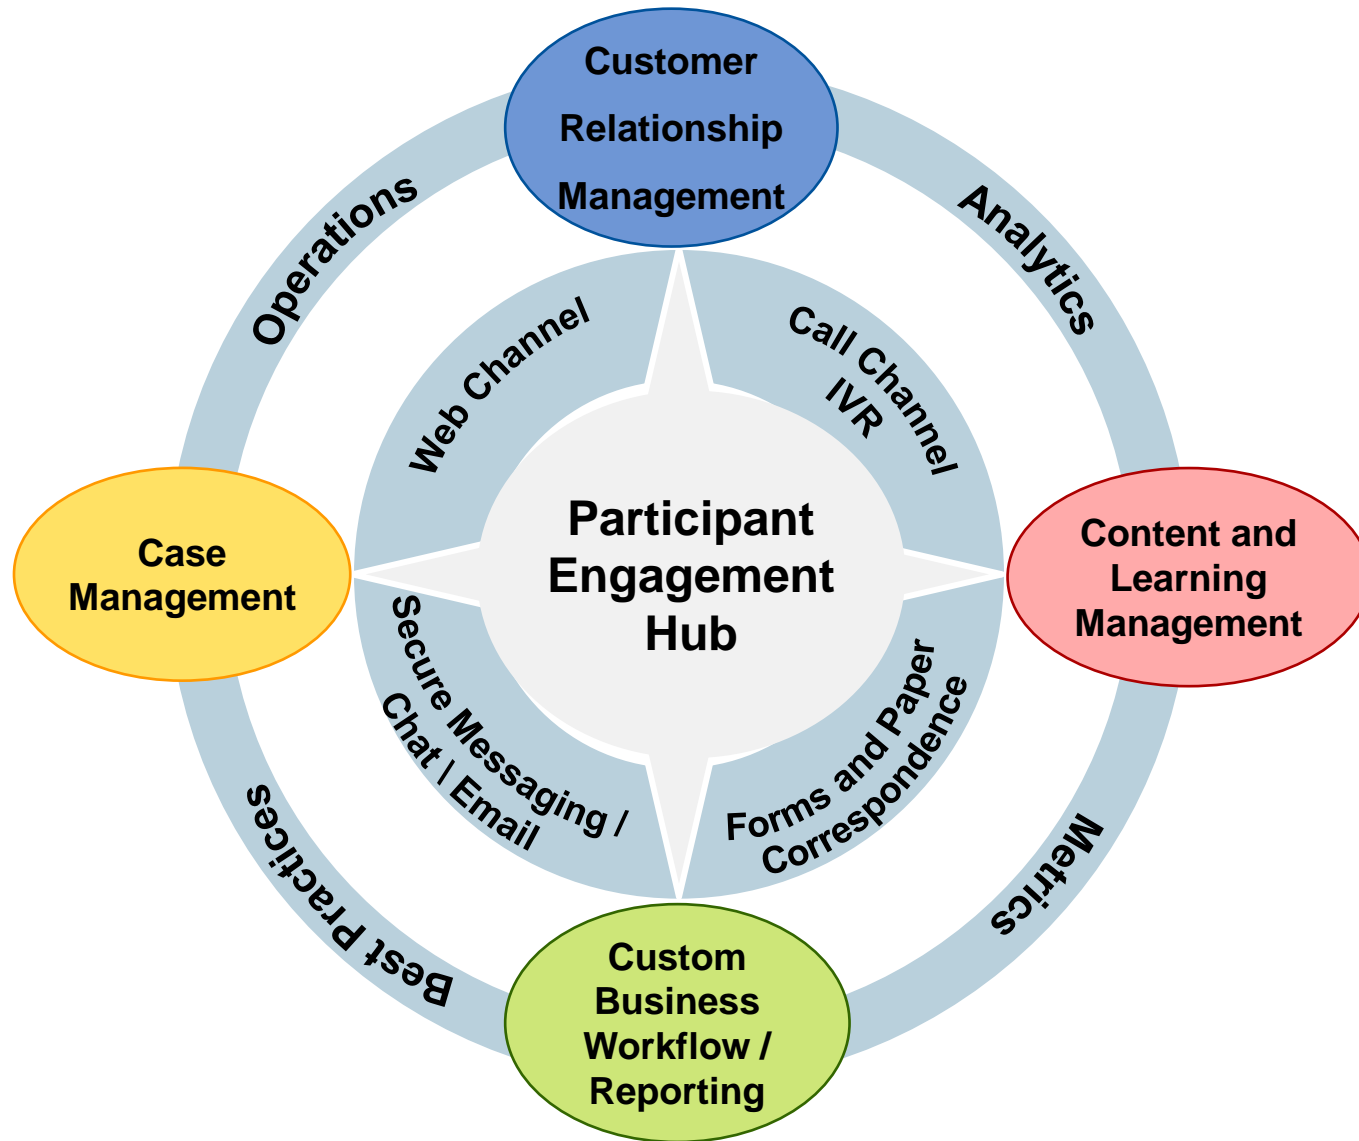

The Agency seeks to transform the purpose and capabilities of its current call centers, processing centers, and fragmented case management

ExPRESS Facilitates the Agency's Efforts to Improve Participant Retirement Outcomes by Enabling a Number of Key Initiatives

Participant Engagement Hub (PEH)

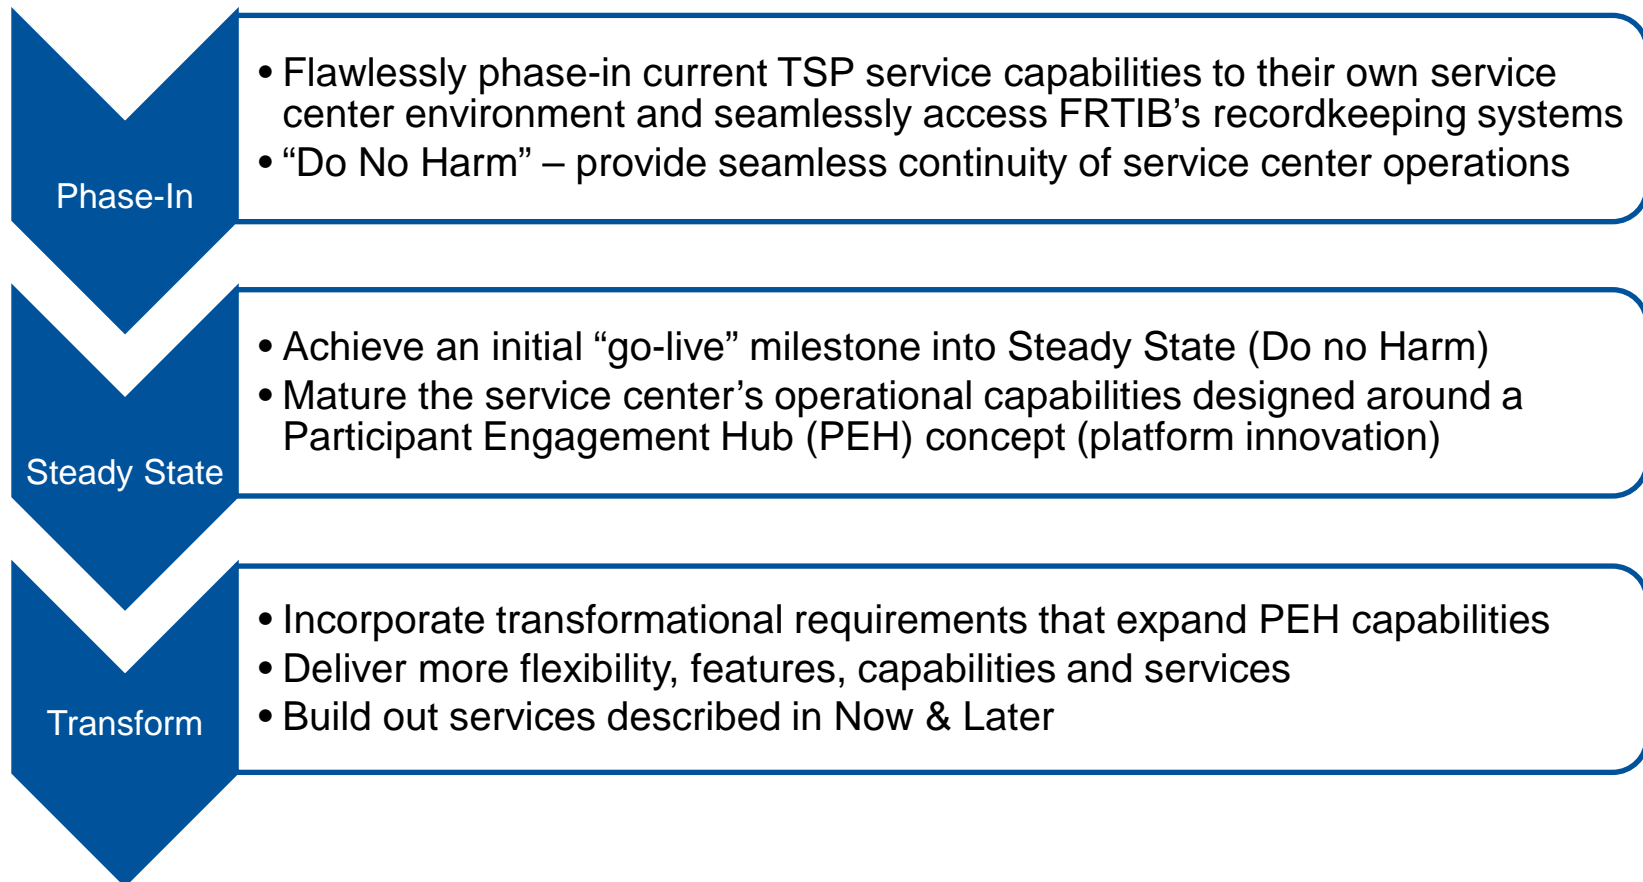

ExPRESS Facilitates the Agency's Efforts to Improve Participant Retirement Outcomes by Enabling a Number of Key Initiatives

Expanding Participant Retirement Engagement Services and Solutions (**ExPRESS**)

The objective for the ExPRESS acquisition is to select a capable service provider that can:
