^{*}The net expense ratios are the administrative expenses charged to TSP participants per dollar invested in the respective funds after offsettling gross administrative expenses with account forfeitures and loan fees. The S and I Funds were implemented in May 2001. The L Funds were implemented in August 2005.

Beginning in July 2001, newly hired FERS employees not yet eligible for agency automatic or matching contributions were permitted to make employee contributions.

b Beginning in January 2002, members of the uniformed services were permitted to make employee contributions.

Participants with no contributions includes dormant FERS accounts, non-separated CSRS and uniformed services participants who have terminated contributions, and separated participants. Totals may not add due to rounding.
