IT Update

PRESENTED BY
THE FEDERAL RETIREMENT THRIFT INVESTMENT BOARD

September 12, 2017

Thrift Savings Plan

Initiatives

- Modernize IT Infrastructure in Data Centers
- Standardize IT Asset Management of Remote Sites
- Implement Identity, Credential and Access Management (ICAM)
- Implement Encryption of Data in Transit Across the Network
- Implement Continuous Monitoring Tools
- Network Security Modernization
- Security Monitoring; Implement SPLUNK
- Implement Audit Level Logging
- Modernize IT Infrastructure at Contact Centers (Thriftline)
- Implement Mainframe Security Remediation
- Improve Account Management
- Replace Workstations at 77 K Street NE (Main Office)

Initiative Status

- Execution of projects is progressing and continue tracking to the respective schedules. We have had some minor delays on a couple of projects but nothing that jeopardizes the overall schedule.

- No technical concerns

- Over the next few months we will be identifying the next set of IT initiatives
